

Paid Training

- The candidate would be extensively trained in xHTML, CSS, Javascript, AJAX, SQL and PHP 5 for a duration of 6 months.
- The working hours for the entire training would be 2 hours per day and 5 days a week.
- In the 2 hours of training, candidate would be given theory lectures for first 30 mins and for the remaining 90 mins the candidate would be given practical problems/tasks.
- There would be a series of periodic written and practical evaluation tests to ensure that candidate is grasping the course content.
- The Candidate will be assigned a project (dummy/live) and would be assisted in creating the project report. The only two condition for 100% job placement in this course are as follows:
 1. The candidate must maintain at least 80% attendance throughout the 6 months of training period.
 2. The candidate must obtain at least 75% marks in each periodic evaluation test.
- After the successful completion of the training period of 6 months, DMW Technologies will ensure that the candidate is placed within 3 months of the completion.
- The package offered to the candidate would be Rs 1,20,000 onwards.
- The location of placement would be limited to Chandigarh, Mohali and Panchkula only.

Free Internship

- The candidate is required to submit a fully refundable security of Rs 15,000 at the beginning of the internship.
- The candidate would be selected for the internship on the basis of a screening test.
- The candidate would be trained in xHTML, CSS, Javascript, AJAX, SQL and PHP 5 for a duration of first 3 months.
- In order to successfully complete the internship, the candidate would be required to work as a full time developer for the remaining period of next 3 months.
- There would be a series of weekly written and practical evaluation tests to ensure that candidate is grasping the course content.
- The Candidate will be assigned a project (dummy/live) and would be assisted in creating the project report. The only two condition for 100% job placement in this course are as follows:
 1. The candidate must maintain at least 80% attendance throughout the 6 months of training period.
 2. The candidate must obtain at least 75% marks in each weekly evaluation test.
- Each candidate who maintains 80% attendance and scores at least 75% marks in each weekly test, would be awarded monthly internship of Rs 3,000 for first three months.
- After the successful completion of the training period of 6 months, the candidate would be refunded the remaining amount of Rs. 6,000.
- DMW Technologies will ensure that the candidate is placed within 3 months of the completion.
- The package offered to the intern would be Rs 84,000 onwards.
- The location of placement would be limited to Chandigarh, Mohali and Panchkula only.
